THE PRO SERIES REACHES NEW HEIGHTS

Husky introduces a redesigned and improved wet & dry model!

After years of a solid reputation and great contribution to the success of the Husky brand, the **PRO10** and **PRO20** models will take a bow and make way for a new generation of wet & dry models. In the wake of this end, we are pleased to announce the availability of the new **PRO100** and the forthcoming arrival of the **PRO200**.

The new **PRO100** is a completely redesigned model with a high-end look that fits perfectly with our other Husky models.

*Available in
march 2014!*
