Husky whisper

Ultra-quiet central vacuum system

- Patented design
- High-end finish for long-term durability
- Very large capacity (34.5 l), brushed aluminum canister with new ergonomic handles with integrated latches for ease of operation

- Machine washable, highly efficient filter for ease of maintenance
- Hybrid: may be used with or without a filtration bag. *When used with a filtration bag, it employs double-filtration for unparalleled air quality and prevents contact with dust and allergens*
- Superior suction power
- Utility valve included (*not shown*)
- Soft-start and soft-stop system for improved functionality and longer motor life

New two-way wireless technology package *(shown)*

- Exclusive Nuera Air patented wireless technology for easy installation
- This technology allows a progressive start/stop directly on the unit and controls up to 4 wireless components
- Intelligent & ergonomic handle featuring:

(A) LCD screen with real-time information from the system (8 available languages) indicating when to empty the canister, replace the filtration bag, perform maintenance, etc.

(B) Variable speed control with 3 power levels, the lowest level for gentle cleaning of curtains or drapes up to highest level for carpets and floors

(C) Start/stop of the power unit

(D) Integrated light for poorly-lit places

(E) Button lock for quick and solid connection

- Complete high-end accessory kit including a hose cover†

Basic wireless technology package

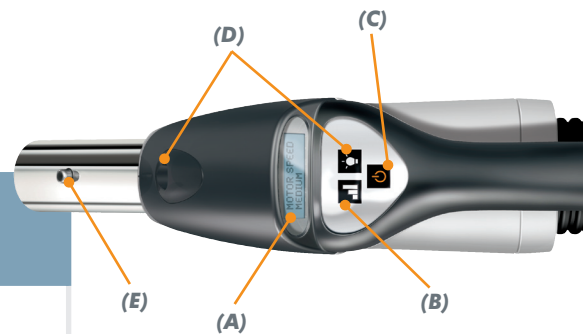

- Nuera Air wireless technology for easy installation
- Ergonomic handle with remote control for starting and stopping the unit
- Complete high-end accessory kit including a hose cover†
- Wireless receiver connected to the power unit

Traditional low-voltage technology package

- Ergonomic handle with interrupter
- High-end accessories including a hose cover

Also available *(wireless technology only):*

- Wireless receiver for vacuum floor inlets to simplify kitchen cleaning
- Wireless repeater to increase the signal range

LIFETIME WARRANTY*

The best in the industry

Lifetime warranty on all components of the power unit and 10 years on labor

5 years on accessories and vacuum inlets (parts and labor)

Simple and hassle-free
