

HUSKY 

Nothing escapes it

Central vacuum systems
nuera-air.com

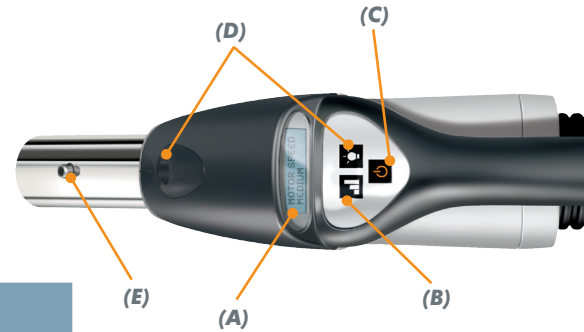

Husky aircyclon

A central vacuum system with power to burn.

- Polished chrome, brushed aluminum and stainless steel finish for long-term durability
- Brushed aluminum canister of 17.4 l capacity
- Heavy duty flexible hose in 8.5 m or 10.4 m lengths
- Utility valve included (*not shown*)

- High-power self-cleaning filter that traps dust, allergens, bacteria and moisture for superior air quality
- Hybrid: may be used with or without a filtration bag. *When used with a filtration bag, it employs double-filtration for unparalleled air quality and prevents contact with dust and allergens*
- Accessory kits available with three technology options (*see details below*)

New two-way wireless technology package (*shown*)

Basic wireless technology package

- Exclusive Nuera Air patented wireless technology for easy installation
- This technology allows a progressive start/stop directly on the unit and controls up to 4 wireless components

(A) LCD screen with real-time information from the system (8 available languages) indicating when to empty the canister, replace the filtration bag, perform maintenance, etc.

(B) Variable speed control with 3 power levels, the lowest level for gentle cleaning of curtains or drapes up to highest level for carpets and floors

(C) Start/stop of the power unit

(D) Integrated light for poorly-lit places

(E) Button lock for quick and solid connection

- Complete high-end accessory kit including a hose cover†
- External controller module (*not shown*):

- Soft-start and soft-stop system for improved functionality and longer motor life
- On/off switch directly on the module. Controls up to 4 wireless components

- Nuera Air wireless technology for easy installation
- Ergonomic handle with remote control for starting and stopping the unit
- Complete high-end accessory kit including a hose cover†
- Wireless receiver connected to the power unit

Traditional low-voltage technology package

- Ergonomic handle with interrupter
- High-end accessories including a hose cover

Also available (*wireless technology only*):

- Wireless receiver for vacuum floor inlets to simplify kitchen cleaning
- Wireless repeater to increase the signal range

†Other versions available

LIFETIME WARRANTY*

The best in the industry

Lifetime warranty on all components of the power unit and 10 years on labor

5 years on accessories and vacuum inlets (parts and labor)

Simple and hassle-free
